## Pastoral Care

'I love the way I get to play with my P1 buddies and help them.' - Nikki, P7

Pastoral care is of paramount importance to school life. It reflects our values, beliefs and ethos. We strive to provide a nurturing environment in which every child feels valued and can realise their full potential. Our school staff work collectively to ensure the pastoral needs of the children in our care are fully met. For the benefit of your P1 child, we run a 'Buddy System' where P7 pupils are paired with a P1 child to aid their transition into life in 'big school'.

All policies related to pastoral care are made available to parents when their children start school.

'The pastoral care in the school is outstanding. A welcoming, supportive learning environment permeates the school with the children and adults treating each other with respect.' - ETI, May 2016

## Positive Behaviour and Reward Systems

'The teachers are very supportive, especially when you are not feeling very well or are having a bad day.' - Matthew, P7

In Maghera Primary School, we model a positive approach to pupil behaviour, aiming to instil the values of respect and honesty. Each classroom sets a weekly academic or behavioural target, and pupils who demonstrate positive progress in the agreed area are awarded a 'Star of the Week' certificate at Friday Assembly. Copies of our Positive Behaviour and Discipline policies are available from the School Office.

'They (the children) are very caring of each other, show respect to adults and engage easily with visitors. The children's behaviour was exemplary.' - ETI, May 2016

Literacy is embedded in every aspect of learning in Maghera Primary School. We believe it is important for our pupils to develop their literacy skills through a variety of meaningful, real life experiences. Throughout the school children read books appropriate to their level from our comprehensive and ever expanding reading scheme. They are also encouraged to read for enjoyment and participate in the Accelerated Reader Programme in school and at home. Pupils are challenged to develop fluency in written expression through the Jolly Phonics programme and the explicit teaching of spelling rules and strategies. Literacy intervention is also provided twice weekly by our Literacy Support Teacher, Mrs McMullan, for pupils who have specific literacy needs. P3-7 pupils have access to **Accelerated Reader** in school and at home. This programme encourages reading for enjoyment, giving them instant feedback on their comprehension of the text and the level of books they can read independently.
